

# Upper Undie Trail Build - 7/2020

blue = Undie Alignment (yet to be built as of 7/3/20)  
 white = existing trails  
 yellow = existing, open to motors  
 red = non-system route

Note: Innie does not yet connect to Lower Undie, stay tuned!

- Project Access Options:**
1. Bike from Carbondale or Prince Creek Trailhead, up BLM Rd. 8320 and turn right, keep climbing on new Upper Undie Trail.
  2. Bike or Drive from Divide Parking Lot (top of Prince Creek & West Sopris Creek Roads).

Project zone for 7/7 and 7/21 evenings

Parking for (about 8 total) 4wd vehicles. Access project by hiking down gully non-system route

Parking for (about 5 total) 4wd vehicles. Access project by hiking down the road & then gully non-system route

Top of the Mountain / Crown BLM Area. Parking for 20+ 4wd vehicles. Access project by hiking down the road & then gully non-system route

From Divide Parking Lot (top of Prince Creek & West Sopris Creek Roads) to Top of Mountain / Crown BLM Area is 2.4 miles. 10-15 minute drive for high clearance 4wd vehicles. Low clearance AWD vehicles not recommended. Impassable when wet; events may be cancelled or finish early due to weather.
